

# **National Science Day - 2014**

Radio Astronomy Centre  
NCRA-TIFR, Udhagamandalam

## **National Science Day-Associated Events**

**Date & Time:** 20<sup>th</sup> February, 2014 at 10.00 AM

**Venue:** Radio Astronomy Centre, NCRA-TIFR, Muthorai, Udhagamandalam

## **Events**

1. Science Essay Writing                      2. Quiz                                      3. Painting                                      4. Science Models

Events will be conducted for 3 levels of students on the same day. All the Competitions will be conducted in parallel, so one student can participate only in one event.

## **Levels**

Level 1: 5<sup>th</sup> to 7<sup>th</sup> std classes

Level 2: 8<sup>th</sup> to 10<sup>th</sup> std classes

Level 3: 11<sup>th</sup> to 12<sup>th</sup> std classes

## **Rules and Regulations**

### **\* Science Essay Writing (Tamil or English)**

Only one student can participate from each level. Topic will be announced on that day and medium of writing will be in Tamil or English. Only A4 paper sheets will be provided. Students should bring writing pad and other necessary items.

### **\* Quiz**

Maximum of two students can participate from each level. Preliminary written test will be conducted for all levels. Final quiz will be conducted for top scored teams from each levels on the same day. Questions will cover science and geography.

### **\* Painting**

Only one student can participate from each level. Topic will be announced on that day. Painting chart only will be provided. Students should bring painting items and other necessary items.

### **\* Science Models**

One model (max. two students) can participate from each level. Students should bring the models to our centre. Selected science models will be exhibited on National Science day (28<sup>th</sup> Feb, 2014).

Participants list (Name, Std, School, Participating event) should be sent through Headmaster/Headmistress to any one of the below communication addresses on or before 17<sup>th</sup> Feb 2014, 4. 00 pm. Students should bring I.D proof or bona-fide certificate from their respective schools.

If required, travel expense (simple bus fare) will be provided for the participants of the events and also to one teacher from a school by producing original tickets. Also simple lunch will be provided for the participants. This is applicable only on 20<sup>th</sup> Feb, 2014. However, all are invited to NSD on 28<sup>th</sup> Feb, 2014 with their own arrangements.

Prize winners will be announced through E-mail and Phone to respective schools after 24<sup>th</sup> Feb 2014. Certificates will be issued for all the participants and Prizes will be distributed for winners on 28<sup>th</sup> Feb, 2014 at Radio Astronomy Centre.
